

# Job Vacancies

## Company profile:

Procco Financial Services (PROCCO) is registered with the CBB since 2006. Procco is a company that provides different types of payment and loyalty programs to Banks, Financial Institutions, Corporate and/or Retail Merchants to launch and maintain various loyalty and/or payment programs and operates under the trade mark brand of **Selektpoints™**. In addition to providing technology and infrastructure, Procco also acquires merchants and new cardholders into all of its partner programs, bringing increased value to any proposition. For more information please visit [www.procco.net](http://www.procco.net)

An opportunity exists for several young dynamic people to work with our partner merchants to increase new cardholder applications & merchant servicing, or there are positions available in our call centre. If you would like to build a career in an expanding company, have a dynamic personality, good sales skills and devoted, then you may be the person we are looking for.
